(a) driver's license suspension.  
(b) prison term.  
(c) payment of a fine.  
(d) vehicle impoundment.
- What advice should you give a social drinker planning to drive?  
(a) Don't drink on an empty stomach.  
(b) Appoint a designated driver.  
(c) Be extra careful if you drink and drive.  
(d) Wait one hour after drinking before driving.

**Completion** Copy the number of each sentence below. After each number, write the word or words that complete the sentence correctly.

- The \_\_\_\_\_ law makes it illegal for persons under the age of 21 to drive with any measurable amount of alcohol in the blood.
- In the process of \_\_\_\_\_, young people help other young people make decisions.
- A person who decides ahead of time not to drink and is appointed to drive others who do drink is known as a \_\_\_\_\_.

### Review Vocabulary

Copy the number of each definition in list A. Match the definition in list A with the term it defines in list B.

#### List A

- drug that can slow down the central nervous system
- drug that speeds up the central nervous system
- amount of alcohol in the blood expressed as a percentage of alcohol in the bloodstream
- drugs that can be obtained legally without a doctor's prescription
- inner forces of personality that restrain or hold back one's impulsive behavior
- involuntary jerking of the eyes as a person gazes to the side

#### List B

- over-the-counter medicines
- inhibitions
- stimulant
- depressant
- nystagmus
- blood-alcohol concentration

### Think Critically

Write a paragraph to answer each question.

- Using the framework of the IPDE Process, describe how alcohol impairs your ability to drive.
- What strategies can you use to overcome negative peer pressure as it relates to drinking and driving?
